

## **We Prepare Lutheran Youth for Lives of Purpose**

The teens in your congregation are getting ready for college and careers – and you want to do everything you can to help them continue to grow spiritually and serve their communities. That's exactly what North America's Lutheran colleges want, too. Beyond providing excellent career preparation, our professors are committed to helping students find mentors, grow in their faith, develop personal values and ethics, and enter adulthood with a sense of purpose in life.

In a nationwide survey, graduates of Lutheran colleges were much more likely than public university alumni to report these experiences:

- Had a mentor.
- Modeled spiritual life on faculty or staff.
- Benefited from emphasis on personal values and ethics.
- Grew in understanding of faith.
- Developed a sense of purpose in life.

### **Let's Work Together...**

We've developed communication tools for your use in working with college-bound students and their parents – and we're looking for more ways we can work together. You'll find college planning presentations and additional details on our Lutheran College Fairs at [www.lutherancolleges.org](http://www.lutherancolleges.org).
